

Let's shape the future of connected logistics!

Join our Innovation Hub in Berlin as

Product Owner (m/f)

Our Berlin Innovation Hub is a space for invention and creation: we push the boundaries of connected logistics systems enabled by Internet-of-Things, artificial intelligence and big data science. We are creators and developers, designers and creatives, techies and data scientists. Our way of working is collaborative: rapid prototyping for validated learning and creating MVPs is second nature for you.

We are working on delivering unique digital products, services and new data-driven business models that bring value to the global logistics ecosystem.

Tasks

- Research about markets, customers and competitors
- Act as Product Owner in Scrum teams (define user stories, prioritize the product backlog, etc.)
- Validate business hypothesis (e.g. by analyzing customer feedback)
- Manage all stakeholders externally (customers, users, etc.) and internally (developers, designers, etc.)
- You have an aptitude for rapidly learning new concepts and technologies and applying them in an agile manner
- You have up-to-date and comprehensive knowledge of current technology trends

Relevant experiences

We'd love to hear from candidates with at least four (4) years commercial experience in a fast-paced, tech-driven/ startup environment. You should demonstrate that you've built applications from idea to launch and on-going updates with the passion to always push your product to the next level.

Product Owner candidates ideally have a background in Project Management, Product Management, Software Engineering and should be well-versed in at least one of the following technologies, tools and methodologies:

- Atlassian stack (especially Jira and Confluence)
- Product Development (HW/SW)
- Agile Project Management
- Understanding of UX and UI design principles

What we offer you

- Innovative environment working for the B2B pioneer in automotive connectivity solutions
- Thrilling projects in international interdisciplinary teams with global market impact
- Attractive compensation package
- Creative atmosphere in co-working space Ahoy! Berlin
- Flat hierarchy, open collaborative culture, with English as primary language (German beneficial)
- Plenty of room for your own ideas and self-organised work to see your ideas come to life and scale globally
- Liaison with the Daimler group with the flexibility of a digital innovation lab

The job is full-time and limited to a term of two (2) years with the option of a permanent employment contract.

Location: Berlin
